**DETAILED ACTION**

***Allowable Subject Matter***

Claims 3-16 allowed.

The following is an examiner's statement of reasons for allowance:

As to claim 3, the prior art of record, taken alone or in combination, fails to disclose or render obvious an interferometer including: a scanning mirror having a sustainable oscillating movement, the scanning mirror having two opposing planar reflecting sides; and a tilt compensator and delay element having an odd number of mirrors including at least three mirrors, the mirrors being positioned to receive at least a portion of the first light beam and reflecting the first light beam out of the first plane and reflecting the first light beam back into the first plane so as to provide tilt correction and to delay the first light beam, in combination with the rest of the limitations of claim 1.

Art Unit: 2877

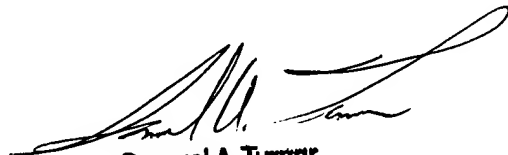

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
